President’s Report

Do hope you enjoyed the Easter break and the return to Eastern Standard Time, but escaped being caught out on April Fools’ Day. This year school holidays do not start until Friday 13th April so we still have a couple of weeks of Term One left with some very popular Question and Answer sessions in the last week.

Welcome to all the new members! We trust you are enjoying your learning time with ComputerPals. If there is anything we can do to assist you, please let us know. Feedback is important.

This week sees the start of the NSW Seniors Festival (Seniors Week). **Our special event** is on **Monday next, 9th April**, commencing at **9:30am** in the Islington Public School Hall. We hope to fill the Assembly Hall for our **Morning Tea** especially since we have a presentation by Jenny Samuels from the Seniors Rights Service. Jenny will speak on Retirement Accommodation and we will have the opportunity to ask questions about seniors’ rights. The Term Two class schedule will be available by then and there is the chance to enrol. Morning Tea will be delicious as usual so gather up friends and invite them along.

At this time of year we start thinking about the ASCCA (Australian Seniors Computer Clubs Association) creative writing and digital photography competitions. Unfortunately ASCCA is not conducting these competitions this year. Our keen writers and photographers would like to continue the tradition of a competition so hone your skills because, by the beginning of Term Two, we should have some news of a local competition for you. If you have any ideas for judges (voluntary, of course) for these competitions please let us know.

Let’s Do More Together through ComputerPals

A big part of Online Security is simple COMMON SENSE

I am noticing more and more scam calls coming through on my mobile phone - The same control principals apply.....HANG UP!
If you don't recognise the number - think twice about answering the call. If it is genuine, the caller will usually leave a message and you can call back.

Remember - a phone call is an invitation to talk, not a royal command. Pesky calls can be blocked.

Funnybone—

Yawning is your body's way of saying 20% of battery remaining.

Four levels of crazy:

1. Talks to self
2. Argues with self
3. Interrupts self while arguing with self.
4. No longer speaking to self.

SOMETIMES I PRETEND TO BE NORMAL.
but it gets boring.
SO I GO BACK TO BEING ME.

Finally the fourth ape! He is the sum of the first three:
He sees nobody, hears nobody and speaks to nobody.

How to wash a cat

1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl...
2. Pick up the cat and soothe him while you carry him towards the bathroom.
3. In one smooth movement put the cat in the toilet and close the lid. You may need to stand on the lid.
4. At this point the cat will self agitate and make ample suds. Never mind the noises that come from the toilet, the cat is actually enjoying this!
5. Flush the toilet three or four times. This provides a 'Power-Wash' and 'Rinse'.
6. Have someone open the front door of your home. Be sure that there are no people between the bathroom and the front door.
7. Stand well back, behind the toilet as far as you can, and quickly lift the lid.
8. The cat will rocket out of the toilet, streak through the bathroom, and run outside where he will dry himself off.
9. Both the toilet and the cat will be sparkling clean.

Yours Sincerely,

The Dog

An outback preacher said, "Anyone with 'special needs' who wants to be prayed over, please come forward to the front by the altar."

With that, an old Aboriginal man got in line, when it was his turn, the Preacher asked:

"Mulrunji, what do you want me to pray about for you?"

Mulrunji replied, "Preacher, I need you to pray for help with my hearing."

The preacher put one finger of one hand in Mulrunji's ear, placed his other hand on top of Mulrunji's head, and then prayed and prayed and prayed.

He prayed to the 'Almighty' for Mulrunji, and the whole congregation joined in with great enthusiasm. Voices were raised in fervent prayer and song. After a while, the preacher removed his hands, stood back to catch his breath and asked, "Mulrunji, how is your hearing now?"

Mulrunji answered, "I don't know. It's not 'til next week!"
